

What is the Royal Borough of Kensington and Chelsea doing for the environment?

The Council is taking action to make the borough more environmentally responsible through its Environment Strategy and by signing the Nottingham Declaration on climate change. This five-year programme is delivering environmental projects, studies and initiatives across the following areas.

- ♥ Sustainable Energy
"Working with the Carbon Trust to improve building energy efficiency."
- ♥ Waste and Recycling
"Free recycling service to borough residents."
- ♥ Transport
"Electric vehicle charging points available at the Town Hall for public."
- ♥ Pollution and Environmental Quality
"AirTEXT scheme to inform public of poor air quality."
- ♥ Development and Construction
"Green building guide for borough developers."
- ♥ Procurement and Resource Use
"We ask our contractors to take their own environmental action."
- ♥ Ecology and Biodiversity
"Farm Days for children and free window planters for residents."

For more information, contact the Council's Environmental Coordinator at environment@rbkc.gov.uk or to view the Environment Strategy visit www.rbkc.gov.uk/eps

This booklet is made from 100% recycled paper from Evolve and was printed by Colibri Press who specialise in printing with a lower environmental impact.

Climate Change - This year's hottest topic

Love London in 2007 and take action to halt climate change. At LSW events you will find many simple and cost effective ways to save energy and the planet and you can also get involved with 'Climate Talk', an activity that encourages discussion and debate about these issues.

So just what can we Londoners do?

1 in 3 of us have already stopped using standby on TVs and other significant changes.

See the tips below for some more bright ideas.

- ♥ Do your bit for greener transport in London by joining Zipcar, the world's largest car club. As part of London Sustainability Week, Zipcar is offering a years free membership; logon to www.zipcar.com/lovelondon.
- ♥ Turn them all off! Unnecessary lights, TVs and computers on standby.
- ♥ If you need air conditioning at work, don't set it to be cooler than 24°C
- ♥ Support your local farmers market and buy seasonal, locally grown food
- ♥ Buy fair trade tea and coffee
- ♥ Slow down. Driving at 50mph uses 25% less fuel than 70mph.
- ♥ Improve your home insulation? Check London's Planet DIY scheme for advice
- ♥ Join a local environmental group and run your own Love London event next year!

Love London

Love London Love Your Planet

Sustainability Weeks 3 – 17 June 2007

Hundreds of events. Over 2 weeks. All over London

www.lovelondon.org.uk

Love London, Love the planet?

Want to do something to save the World's environment locally? London Sustainability Weeks offers you a chance to enjoy 100s of free events this summer celebrating London's wonderful environment. If you live or work in the Royal Borough of Kensington and Chelsea, or are a visitor, you will find a selection of stimulating and fun events close to you, detailed below, showing you how to live in a sustainable fashion.

These events have been organised by the local Council, community groups and charities. There is something for every age group and taste so have fun, Love London and the beautiful Royal Borough, and take local action to help save the planet. For more details and additional events visit www.lovelondon.org.uk

Wildlife Gardening and Ecology Day

9 June, 12.00 – 16.00
The Old Stableyard, Holland Park, Ilchester Place, W8 6LU

A fun day for children and adults. Activities include hands-on gardening and crafts for kids and ideas for making your garden or window box a refuge for wildlife.

Cool It!

11 June, 10.00 – 16.00
Small Hall, Hornton Street, W8 7NX.

The project works with primary schools to engage students in climate change through interactive classes. It brings students together to share what they have done and take part in activities. The Cool It project can offer assistance to other local authorities that want to run similar projects and provide resources for schools.
