Climate Change - This year's hottest topic

So just what can we Londoners do? 1 in 3 of us have already stopped using standby on TVs and other significant changes. See the tips below for some more bright ideas.

- ♥ Do your bit for greener transport in London by joining Zipcar, the world's largest car club. As part of London Sustainability Week, Zipcar is offering a years free membership; logon to www.zipcar.com/lovelondon.
- ♥ Turn them all off! Unnecessary lights, TVs and computers on standby.
- ♥ If you need air conditioning at work, don't set it to be cooler than 24°C
- ♥ Support your local farmers market and buy seasonal, locally grown food
- ♥ Buy fair trade tea and coffee
- ♥ Slow down. Driving at 50mph uses 25% less fuel than 70mph.
- ♥ Improve your home insulation? Check London's Planet DIY scheme for advice
- ♥ Join a local environmental group and run your own Love London event next year!!
